Place & Play 13" and 32"

Cordless, sustainable, effortless. Place & Play is the future.

Place & Play is a brand line of electronic paper displays with a cloud-based content and management service from Visionect, the world's premier designer and developer of B2B electronic paper solutions.

Deployed without any wires or cable-laying installation, Place & Play displays are 99% more power-efficient than LCD, running for up to several months on a single battery charge thanks to a decade of optimization, saving thousands in energy bills.

Place & Play can be installed anywhere in minutes, either with the provided Magnetic Mount or with a VESA mount. An all-in-one device, Place & Play supports all web based major content management systems and is ready to use straight out of the box.
